## Chairmans Report 2024

Dear Club Members,

Work on the new AIVC Website and also solving communication problems with AIVC's 32 clubs throughout the UK have taken quite a bit of my time this year. I'm pleased to say that the National bulletin is now being successfully delivered to all of the clubs. Still some way to go with the National website as I'm in the process of finalising the settings for adding Events which is a fundamental part of the site's functionality. I must admit I have neglected our website with updating the minutes of meetings stored and also access to current bulletins. This I need to rectify.

As we are now into Autumn and with Winter approaching it would be good to see a few more people join our fortnightly quizzes. It is an ideal opportunity to chat with other club members on Zoom.

After a successful knee operation earlier this year I'm hoping to lead some walks in 2025!

This is my 8<sup>th</sup> year as Chairman, I am willing to stand again for the coming year if you wish me to continue!

Your Sincerely,

Phil Riches

Suffolk IVC Chairman
